150th Anniversary – Oct 12, 2024
“Praise & Thanksgiving”
Share your memories with us!

We will be sharing parishioners’ reflections on the role the parish has played in their lives in bulletins now through the anniversary mass on October 12. We plan to memorialize those memories in a special way for all to enjoy for many years to come.

If you have memories to share, we would love to have them! From generations ago, all the way to the present.

Lots of people have snippets of parish history that others may not know, so please pass them along!

A few paragraphs long, and if there is a photo to go with the memory, so much the better, but not mandatory.

Please email the memory to Dolores Sharp at sharpdolores@gmail.com and she will keep track and send on to the Parish office to place in the bulletin.

It is that simple!

Kevin Leahy Memory-

I vividly remember during Lent all the students at Star of the Sea School would go to daily mass. We would first meet in our classrooms and then starting with the first grade all the way to the 12th we would walk in single file to St Mary’s Church and go in row by row by class. The entire right side of church would be full with students, and parishioners on the left!

After mass, we would return to our classrooms and have breakfast, as we had a three hour fasting rule then and breakfast at 5:00 am was a little too early for my family!

My Mom made the best fried egg sandwiches which my classmates tried to barter with me on, but I never gave in!
