SPIC and SPAN

June 25th has been designated as the date for finalizing the clean up project for the auditorium. *All ministries that have storage lockers and closets need to clear out unwanted and unusable materials.* Each ministry is asked to please organize a work party for **June 25th**. Each organization will need to haul away their own discards and not use the school or church dumpsters. By choosing the one workday there should be enough people to pitch in and help each other out. If you are not a member of any of these organizations; this is also by way of an invitation to contact your favorite ministry and volunteer. Fr. William will be on vacation, and it will be nice for him to come home to see our house in order.

Thank You and God Bless, your Pastoral Council
