## 2025 Jubilee Year: Pilgrims of Hope

Pilgrims of Hope – Hope for what? A sunny day tomorrow? That the fish will be biting? That this project will be completed? Oh, no. We are in Hope of living so close to the person of Jesus we bump shoulders, and a gloriously happy eternity with our God, totally enveloped in love. It's not the "cross your fingers" kind of hope. This is a promise from God Himself. It's the "I know it's gunna happen" kind of hope.

## WEDNESDAY WOMEN

The Wednesday Women's group will be starting a new series on July 9, meeting every other week at 4:30 pm in the St. Michael's Room. The series is called "Metanoia" and is from Wildgoose TV. They describe the program as:

10, half hour episodes shot in locations all throughout the Holy Land. The audience will be able to encounter the Lord in the settings of some of the holiest sights in the world. Metanoia is a spiritual journey through the places where Jesus physically taught His Church the meaning and the way of metanoia.

Metanoia is a transformation of the heart, a spiritual conversion, which comes about through repentance. This conversion may be in how we see Jesus, the Father, our self, and others. This series...focuses on eight different areas that invite us to a deeper metanoia of who Jesus is and how He desires us to know Him. When one views this series, the viewer will have a much broader understanding of Jesus' message.

We hope you will join us on this journey!

You can preview the series on YouTube at:
