

**ST. MARY, STAR OF THE SEA**  
**SCHOOL BUILDING SUGGESTION/COMMENT SHEET**

In October 2017, the school building suffered extensive storm water damage. Since then, the affected areas have been cleaned-up and damaged materials removed. With estimates given to repair and replace in an “as was” condition, we are now asking the parish to submit comments, concerns and ideas regarding the use of the school building to the Building & Grounds Committee.

We strongly encourage you to take the time to fill this out so your voice will be heard. Please drop this form off by the parish office this week or bring it to Mass next Sunday and put it in the collection basket.

Thank you,

Building & Grounds Committee - Fr. William, AJ, Richard Elder, Dan Ewald, Jose Goicochea, Joe Herman, Ralph Mansfield, Pat Patrick, and Paul Radu
